## WORKSHOPS AND CERTIFICATIONS

**Workshop :** How To Use ChatGPT And AI Tools

**Conducted By :** Be10X Edu-Tech Company

**Date :** October 6th 2024

Attended a comprehensive workshop focused on the practical applications of ChatGPT and other AI tools. Gained hands-on experience in leveraging artificial intelligence for automating tasks, improving efficiency, and enhancing productivity in software development and other professional domains. Additionally, I learned how to create impactful PowerPoint presentations using AI tools to streamline the presentation design process.

## EXPERIENCE

**Project Name:**Online Smart Farmer Mandi Assistant
**Year:** 2024

**Project Description:**

Developed an Online Smart Farmer Mandi Assistant application to facilitate direct communication and transactions between farmers and customers.

The project focuses on creating a seamless and efficient platform that bypasses third-party dealers, ensuring better pricing and transparency for both parties.

**Technologies Used:**

- **Front-end:** PHP
- **Back-end:** MySQL
